

CHÂTEAU DES MOINES
Lalande de Pomerol

Cuvée Henri Bordeaux Rosé

Grape varieties	100% merlot
The soils	The soil is composed of dry gravel and the subsoil is clay-loamy-gravelly with traces of iron oxide called "iron dross".
Surface	1,3 hectare
Working the vineyard	The plots are cultivated in the traditional way with weeding under the row, controlled grass cover, and mechanical leaf removal. Green harvests are carried out for this vintage.
Vinification	Destemming of the harvest, sorting and limited skin maceration. Cold vinification at 12°. No malolactic fermentation.
Ageing	/

Tasting notes

With a pale pink and crystalline color, the nose is very aromatic, notes of red fruits and citrus fruits (orange zest and grapefruit).

The palate is supple, round and fresh (pomegranate, raspberry), the finish is long and fruity.
