

CHÂTEAU DES MOINES  
Lalande de Pomerol

Cuvée Henri  
Bordeaux

Grape varieties	100% merlot
The soils	The soil is composed of dry gravel and the subsoil is clay-loamy-gravelly with traces of iron oxide called "iron dross".
Surface	1,3 hectare
Working the vineyard	The plots are cultivated in the traditional way with weeding under the row, controlled grass cover, and mechanical leaf removal. Green harvests are carried out for this vintage.
Vinification	Destemming of the harvest, sorting and cold skin maceration for 5 days in order to extract maximum aromas; Alcoholic and malolactic fermentations are controlled by thermoregulation. The vatting time varies from 12 to 15 days depending on the vat.
Ageing	The wine is aged and bottled on the property.

Tasting notes

Rich in color and aromas, beautiful deep color, powerful and supple on the palate at the same time. Nose of ripe fruit with supple and silky tannins.

Bordeaux "Henri" is a wine 100% made from the Merlot Noir grape variety with notes of exceptional ripe red fruits, elegant supple and silky tannins providing a feeling of intense pleasure when tasting. To discover or rediscover...
